LB 76A, 929, 967, 1116

SPEAKER WITHEM: LB 929 passes. LB 967 will not be read.
Mr. Clerk, LB 1116.

ASSISTANT CLERK: (Read LB 1116 on Final Reading.)

SPEAKER WITHEM: All provisions of law relative to procedure
having been complied with, the question is, shall LB 1116 pass?
Record, Mr. Clerk.

ASSISTANT CLERK: (Read record vote. See page 1208 of the
Legislative Journal.) The vote is 43 ayes, 0 nays, 1 present
and not voting, 5 excused and not voting.

SPEAKER WITHEM: LB 1116 passes. The body is no longer on
Final Reading. Item 7, General File bills.

ASSISTANT CLERK: Mr. President, the first bill on General File
is LB 76A. It was introduced by Senator Schimek. (Read
title.)

SPEAKER WITHEM: Senator Schimek, on LB 76A.

SENATOR SCHIMEK: Yes, Mr. President, members of the body, it
does say Withem up on the board, Mr. Speaker, so just following
the confusion over the A bills that we've had before. LB 76 if
you remember is the election law recodification bill and the
fiscal note on this I think is rather modest. It includes an
additional FTE for the Secretary of State's Office which is
something that was adopted in the committee amendment, asked for
an additional election officer in that amendment. Then it also
in the A bill allows for some printing and some training,
postage, those kinds of things that were also requested in the
committee amendments and the bill. So I'd be happy to try to
answer any questions. The total of the A bill for the first
year is \$55,700 and for the second, \$46,150. Again, most of
that cost is that additional FTE.

SPEAKER WITHEM: Thank you, Senator Schimek. Is there any
discussion? Seeing none, the question is the advancement of
LB 76A. All in favor vote aye, opposed vote nay. Record,
Mr. Clerk.

ASSISTANT CLERK: 26 ayes, 0 nays on the motion to advance
LB 76A.
